Top Tower Crane Owners 2009

Please read and complete the form below, ideally by 17 April. If you have any questions, please contact the team at *International Cranes and Specialized Transport*.

Please ensure that figures for the *IC Tower Index* are maximum load moment ratings in **tonne-metres**.

The listing must only include cranes that you will actually have in your fleet at 1 May 2009. Please do not include cranes for which you have placed orders but not yet taken delivery of.

Company name _____

Number of tower cranes _____

Make and model of largest tower crane _____

Capacity in metric tonnes and load moment rating in tonne-metres of largest tower crane in your fleet _____

IC Tower Index * _____

Full address of HQ _____

Number of depots _____ Number of employees _____

Scope of operation (Local/national/continental/worldwide) _____

Senior contact _____

Job title of senior contact _____

e-mail address _____

Company web site _____

* IMPORTANT: To calculate your *IC Tower Index*, please add together the total combined load moment rating in tonne-metres of all tower cranes in your fleet.

Information is correct as shown above.

Signed: _____

Name (please print) _____ Date: _____
